Hi Ross,

I received documents from Mike Greear's office for Schneider Limited Partnership. Because there were so many documents and they were too large to email, I asked John to scan them for me and put them in a drop box so that you could pick them up.

The taxes are password protected. The password is .

This is email 1 of 3.

Thanks,

Kathleen

From John:

"Kathleen, please see the attached Dropbox link. I have scanned the folder Mike Greear's office sent to you and placed the scans in the three attached links. I will return the binder to you next week. Thanks JHS"
